

07/05

Contract Amendment # 1

This is an Amendment to the Contract entered into by and between Indiana Department of Administration on behalf of Indiana Department of Correction (hereinafter referred to as "State") and Black Jack Uniforms, 3512 West Rockville Road Suite 119, Indianapolis, IN 46222 hereinafter referred to as "Contractor") dated July 1, 2004. In consideration of the mutual undertakings and covenants hereinafter set forth, the parties agree as follows:

To add the following clause to the existing contract:

Ethics Obligations. The contractor and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code 4-2-6 et seq., the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. If the contractor is not familiar with these ethical requirements, the contractor should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at <http://www.in.gov/ethics/>>>>. If the contractor or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this contract immediately upon notice to the contractor. In addition, the contractor may be subject to penalties under Indiana Code 4-2-6-12.

COMPLIANCE WITH TELEPHONE SOLICITATIONS ACT

As required by IC 5-22-3-7:

(1) the Contractor and any principals of the Contractor certify that (A) the Contractor, except for de minimis and nonsystematic violations, has not violated the terms of (i) IC 24-4.7 [Telephone Solicitation Of Consumers], (ii) IC 24-5-12 [Telephone Solicitations], or (iii) IC 24-5-14 [Regulation of Automatic Dialing Machines] in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and (B) the Contractor will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law. (2) The Contractor and any agent acting on behalf of the Contractor or on behalf of an affiliate or principal of the Contractor: (A) except for de minimis and nonsystematic violations, has not violated the terms of IC 24-4.7 in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and (B) will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law.

In consideration of the mutual undertakings and covenants hereinafter set forth, the parties agree as follows: Appendix numbers 1, 2, and 3 are revised and amended as shown in Attachments A, B, and C.

Total amount of this action is \$70,000.00. Total remuneration of this contract is not to exceed \$820,000.00.

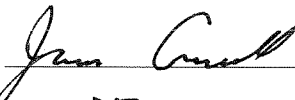

All other matters previously agreed to and set forth in the original agreement and not affected by this Amendment shall remain in full force and effect.

Non-Collusion and Acceptance

The undersigned attests, subject to the penalties for perjury, that he/she is the contracting party, or that he/she is the representative, agent, member or officer of the contracting party, that he/she has not, nor has any other member, employee, representative, agent or officer of the firm, company, corporation or partnership represented by him/her, directly or indirectly, to the best of his/her knowledge, entered into or offered to enter into any combination, collusion or agreement to receive or pay, and that he/she has not received or paid, any sum of money to other consideration for the execution of this agreement other than that which appears upon the face of the agreement.

In Witness Whereof, Contractor and the State of Indiana have, through duly authorized representatives, entered into this agreement. The parties having read and understand the foregoing terms of the contract do by their respective signatures dated below hereby agree to the terms thereof.

Related Component Program - Component Item #31**Shirt, Fatigue, BDU, Four Pocket, Camouflage, Black, O.D. Green****MATERIAL and GENERAL DESIGN:**

- Fabric:** Fabric to be 65% cotton and 35% polyester on black shirts, 100% rip-stop fabric (to prevent fabric from run-on ripping and tearing)
- Colors:** Colors shall be fast dye in black, green camouflage, or olive drab. The shirt color shall match in shade that of the Trouser, BDU Class B & E
- Design:** Minimum specifications same or equal to United States Armed Forces M-65, Shall be BDU style shirt with four (4) pleated double flapped pockets, Shall have covered button flaps, Shall have double fabric elbows, Shall have three (3) button tab cuff with pen slot in pocket. Shirts shall have IDOC shoulder emblems.

EMBLEMS:

- Placement:** DOC patch shall be supplied at time of shipment. Type of patch shall be specified at the time of order placement.
- Design:** Emblem to be either 3.5" round or 3" by 4" wedge shape. See pictures below for actual designs.

**PACKAGING:**

The product shall be individually poly-bagged with style and size indicators. The product shall then be packed into cardboard boxes according to most economical and ergonomically design to protect the product during storage and shipping. The outer shipping carton shall be clearly labeled on one end with purchase order number, style number, quantity, color, and size.

SILENCE OF SPECIFICATION:

The apparent silence of this specification as to any details or the omission from it of a detail description concerning any point shall be interpreted as meaning that only the best commercial practices are to prevail, and that only materials and/or workmanship of finest quality shall be used.

IDENTIFICATION TAGS:

This product and all of its components shall have a sewn in labels or permanent marking covering the following areas;

- | | |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Country of Origin; | Shall have a permanent identification tag stating the country of origin of material and the country of manufacturing. |
| Fabric/Material Contents; | Shall have a permanent identification tag stating fabric or material contents. |
| Care Instructions; | Shall have a permanent identification tag stating proper Care instructions. |
| Sizing; | Shall have a permanent identification tag stating size(if applicable) |

WARRANTY and LIMITATIONS:

Warranty; One year against workmanship or fabric defects.

Limited Warranty; The sample and contract product shall carry a manufacturer's printed warranty tag. The tag shall instruct the owner of their rights under the warranty.

Limited warranty will contain at a minimum the following;

Warranty Coverage; Manufacturer agrees to warrant to the original purchaser that the product will be free from defects in materials and workmanship or a period of one year from date of purchase.

Warranty Service; Should a covered product become defective during the warranty period, simply return it to the manufacturer with dated proof of purchase. The manufacturer agrees to repair or replace at its option any item determined to be defective and will return to purchaser at no charge.

Limitations; This warranty does not cover abnormal wear and tear, nor the color fastness of fluorescent fabrics, nor damage from chemicals, fire, misuse, accident, or negligence. This warranty only applies to the original Purchaser of the covered product, and is not transferable.

SIZES:

Availability of Sizes: At minimum respondent shall be able to readily supply the following sizes;

Sleeve Lengths	Alpha - Neck Sizes						
	Small	Medium	Large	X-Large	2X-Large	3X-Large	4X-Large
X-small	x	x					
Small	x	x	x	x	x	x	x
Regular	x	x	x	x	x	x	x
Long			x	x	x	x	x

Sizing Chart: Respondent shall supply a sizing chart at time of proposal submittal that addresses the following areas; sizes, chest, finished chest, back width, back length, waist measurement and sleeve length from the center and bottom of the neck.

Appendix 3 - Component Specifications

Related Component Program - Component Item #35**Coat, Field, BDU, w/Liner, Camouflage, Black, O.D. Green**MATERIALS and GENERAL DESIGN:

- Material: Shall have a Military Quarpen water repellent or equal finish. Shall be made of a nylon/cotton Sateen material.
- Colors: Color shall be a solid black, green camouflage, or olive drab.
- Design: Shall have a hideaway hood, Shall have four large cargo flap pockets. Shall have four large cargo flap pockets. Shall have epaulets, Shall have a hook and loop closures at wrist and collar. Shall have storm flapped heavy-duty zippers. Shall have a detachable coat liner. Shall IDOC shoulder emblems. Shall have a waist and bottom drawstrings

EMBLEMS:

- Placement: DOC patch shall be supplied at time of shipment. Type of patch shall be specified at the time of order placement.
- Design: Emblem to be either 3.5" round or 3" by 4" wedge shape. See pictures below for actual designs.

PACKAGING:

The product shall be individually poly-bagged with style and size indicators. The product shall then be packed into cardboard boxes according to most economical and ergonomically design to protect the product during storage and shipping. The outer shipping carton shall be clearly labeled on one end with purchase order number, style number, quantity, color, and size.

SILENCE OF SPECIFICATION:

The apparent silence of this specification as to any details or the omission from it of a detail description concerning any point shall be interpreted as meaning that only the best commercial practices are to prevail, and that only materials and/or workmanship of finest quality shall be used.

IDENTIFICATION TAGS:

This product and all of its components shall have a sewn in labels or permanent marking covering the following areas;

- | | |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Country of Origin; | Shall have a permanent identification tag stating the country of origin of material and the country of manufacturing. |
| Fabric/Material Contents; | Shall have a permanent identification tag stating fabric or material contents. |
| Care Instructions; | Shall have a permanent identification tag stating proper Care instructions. |

Sizing; Shall have a permanent identification tag stating size(if applicable)

WARRANTY and LIMITATIONS:

Warranty; One year against workmanship or fabric defects.

Limited Warranty; The sample and contract product shall carry a manufacturer's printed warranty tag. The tag shall instruct the owner of their rights under the warranty.

Limited warranty will contain at a minimum the following;

Warranty Coverage; Manufacturer agrees to warrant to the original purchaser that the product will be free from defects in materials and workmanship or a period of one year from date of purchase.

Warranty Service; Should a covered product become defective during the warranty period, simply return it to the manufacturer with dated proof of purchase. The manufacturer agrees to repair or replace at its option any item determined to be defective and will return to purchaser at no charge.

Limitations; This warranty does not cover abnormal wear and tear, nor the color fastness of fluorescent fabrics, nor damage from chemicals, fire, misuse, accident, or negligence. This warranty only applies to the original Purchaser of the covered product, and is not transferable.

SIZES:

Availability of Sizes: At minimum respondent shall be able to readily supply the following sizes;

Body Lengths	Alpha Sizes						
	Small	Medium	Large	X-Large	2X-Large	3X-Large	4X-Large
Short	x	x	x				
Regular	x	x	x	x	x	x	x
Tall	x	x	x	x	x	x	x
X-Tall			x	x	x	x	x

Sizing Chart: Respondent shall supply a sizing chart at time of proposal submittal, that addresses the following areas for the regular size and the incremental changes for length variations ; sizes, chest, finished chest, bottom relax, bottom stretch, full length, sleeve length from the center and bottom of the neck.

Appendix 3 - Component Specifications

Related Component Program - Component Item #41
Coat, Rain, Full length, Black

MATERIAL and GENERAL DESIGN:

- Fabric:** Shall be constructed of micro-porous urethane coating on a 2-1/4 ounce 210 denier nylon. Total finished weight of approximately 4-1/2 ounces per square yard. Average weight of coat 16 ounces. Color shall be black.
- Design;** Coat must be full length, slash pocket style with set-in sleeves and snap closure-interlocking storm front. Bottom edge of coat shall have a single stitched hem approximately 1" deep. Sleeves must be set-in style and joined to body of coat by double needle stitched seams, sealed on inside of coat. Double needle seams to be spaced 1/4" apart. Sleeves to have single stitched cuff at bottom. Back shall be one piece and full cut to allow freedom of movement. Coat shall have a storm flap front closing with a double set of snap fasteners to ensure a waterproof closure, Snaps shall be black oxidized brass, Inner flap to have 3 snaps, and outer flap to have 5 snaps. Collar shall be fold-over, uniform style, double thickness, self fabric approximately 3-1/4" wide, single stitched to coat. Nylon side of fabric to be exposed to both faces and collar. Hangar loop, size label, and woven manufacturer's label to be stitched into collar seam. Shall be same as or equal to Air Weave Police Raincoat Style #976.
- Seams;** Both fabric and coated seams must withstand a minimum hydrostatic pressure, Mullen method of 40 P.S.I. This is in excess of the military specification for water proof fabrics. All joining seams except collar shall be double needle stitched. Double needle seams are to be spaced 1/4" apart using Dacron thread and coated from the inside with waterproof sealant compatible with coating on fabric to form a permanent bond.
- Pocketing:** Pockets shall be set-in slash type with slit to reach inside. Overall width of pocket to be 8-1/2". Overall depth of pocket to be 14-1/2" Pocket opening 9" wide. Opening to have double thickness, self fabric facility, 1-5/8" wide. Pocket opening to be bar tacked top and needle hemmed.
